ORGANIZING COMMITTEE AND RACE PRESENTATION

The event is organized by CMOutdoor ASD, the society that since 2015 manages the INTERNAZIONALI D'ITALIA SERIES circuit, in collaboration with Team Todesco and Bibike ASD.

Joining the forces of many different teams to raise up the level of the event is the leitmotif of the project "Pineta Sperane XCO", the first stage of "Internazionali d'Italia Series 2022" circuit.

CM Outdoor found in San Zeno di Montagna Municipality a great partner to work with to create an international XCO event to introduce the territory to the best world MTB athletes and bike enthusiasts.

On Sunday 6th March, at the international race "Pineta Sperane XCO" patronized by UCI (*Union Cycliste Internationale*) e FCI (Federazione Ciclistica Italiana), are expected athletes from over twenty different world countries.

LOCATION

San Zeno di Montagna is a small village 40 km far from Verona. It is located at a height of 680 meters on the slopes of Monte Baldo. San Zeno di Montagna is a natural terrace overlooking Lake Garda, largest lake in Italy, easy to reach thanks to its proximity to A22 Brennero highway, A4 highway and Verona airport.

The place is characterized by the mild mediterranean climate that allows enjoyment for the whole year long and the ancient trails used in the past by the people to move across the region and now used by lovers of outdoor sport.

In San Zeno di Montagna is possible to spend time in outdoor activities such as trekking and cycling immersed in wooded areas of beech and chestnut trees and olive groves and, at the same time, enjoy the beauties of the territory, rich in history, culture and food and wine traditions. Mountain bike enthusiasts can perform in more than 200 kilometres of enduro, downhill and cross country trail.

The race circuit is completely placed in the natural park "Pineta Sperane" and characterized by a mixture of dirt sections, rocks and stones that makes it an international level track.

HOTEL, ACCOMODATIONS

The region where San Zeno is located it's oriented to the tourism.

The teams will find plenty of structures where to book and they could choose in between different types of accommodations in the surroundings.

Our advice to find the best deal is to use one of the online booking engines.
