ORGANIZING COMMITTEE AND RACE PRESENTATION

The event is organized by CMOutdoor ASD, the society that since 2015 manages the INTERNAZIONALI D'ITALIA SERIES circuit, in collaboration with the ASD SUPERBIKE TEAM and ASD ESATRIL.

Joining the forces of many different teams to raise up the level of the event is the leitmotif of the project "SantoporoXC", the third stage of "Internazionali d'Italia Series 2023" circuit.

CM Outdoor found in Esanatoglia Municipality a great partner to work with to create an international XCO event to introduce the territory to the best world MTB athletes and bike enthusiasts.

On Sunday 30th April, at the international race "SANTOPOROXC" patronized by UCI (*Union Cycliste Internationale*) e FCI (Federazione Ciclistica Italiana), are expected athletes from over twenty different world countries.

LOCATION

Esanatoglia is a small village 50 km far from Macerata and 80 km far from Ancona. It is located at a height of 495 meters. The municipality of Esanatoglia is located in the valley between Monte Gemmo and Monte Corsegno, in the Marche hinterland, surrounded by the municipalities of Matelica, Fiuminata and Fabriano. The Esino river born in its territory, precisely from Monte Cafaggio.

The Parco delle Vene, an important tourist destination, winds its way between the city center and the sources of the Esino river.

Esanatoglia easy to reach thanks to new highway its proximity to A14 Bologna - Taranto and Ancona airport.

The place is characterized by the mild mediterranean climate that allows enjoyment for the whole year long and the ancient trails used in the past by the people to move across the region and now used by lovers of outdoor sport.

In Esanatoglia is possible to spend time in outdoor activities such as trekking and cycling immersed in wooded areas of beech and chestnut trees and olive groves and, at the same time, enjoy the beauties of the territory, rich in history, culture and food and wine traditions. Mountain bike enthusiasts can perform in more than 100 kilometres of enduro, downhill and cross-country trail.

The race circuit is completely placed in the "Monte Poro" based of International Motocross Track "Gina Libani Repetti" and characterized by a mixture of dirt sections, rocks and stones that makes it an international level track.

HOTEL, ACCOMODATIONS

The region where Esanatoglia is located it's oriented to the tourism.

The teams will find plenty of structures where to book and they could choose in between different types of accommodations in the surroundings.

Our advice to find the best deal is to use one of the online booking engines or refer to this link:
<https://www.santoporoxc.it/hotel-e-bb/>

HOW TO GET IN ESANATOGLIA (MC)

By Train

- Fabriano Railway station - 20 km
- Matelica railway station - 8 km

OTHER INFORMATION

LOGISTIC

PRELIMINARY OPERATIONS

TEAM MANAGER MEETING

The Team Manager Meeting will be held on line.

The link will be published on the event web site page and on the event social pages.

START/FINISH AREA

START PROCEDURE

All the riders are asked to be in the **call-up boxes 15 min** before the call-up procedure. The start list will be carried out according to last published XCO UCI Individual Ranking for the UCI categories and by drawing lots for all the other riders.

ANTI-DOPING

The anti-doping station will take place in the Antidoping room at MotoClub Office “Gina Libani Repetti”.

SHOWERS AND BIKE WASHING

No showers are planned due to the rules about the Covid pandemic management. The bike washing service will be at the venue with pressure washers.

TEAM AREAS

The Teams that want to book a space in the Team Area have to fill in the form on Internazionali d'Italia series web page.

<https://www.santoporoxc.it/area-team>

We ask the Teams to take care of the space needed for only one car/van they want to park close to the Team Tent. All the other vehicles must be parked in the public parking.

Only the accredited teams are allowed to enter the Team Area.

FEED ZONE - TECHNICAL ASSISTANCE

Feeding and technical assistance is possible only in the Feed and Technical Zones. The access to the FTZ will be allowed only to people with Pass.

Passes for the mechanical and feeding areas will be given to the teams during the riders registration. Those without passes will not be able to use the service and consequently will be excluded from the technical support area in accordance with UCI rules.

There will be a “neutral assistance zone” provided by Shimano.

The Feeding and Technical area will be confirmed by the PCP at the Team Manager Meeting after the course walk.

MEDICAL ASSISTANCE

Medical Services will be provided by at least n. 2 ambulances with 2 auxiliary medical personnel and 1 Race Doctor as in the Healthy plan approved by 112 and First Aid.

PARKING

The public parking will be located in Località Monte Poro

PRESS

The press room will be located at Moto Club Offices. Only the accredited media (*journalists/photographer/media*) can go on the track and in the press room.

Accreditation for the medias must be done at:

<https://www.internazionaliditaliaseries.it/en/media-accreditation/>

TIME KEEPING

The time keeping service will be provided by:

EVODATA

<https://evodata.it>
